Our mission statement is as follows:

It is the feeling of this committee that flags should be flown on our city streets during all appropriate holidays and other special occasions. Therefore, the acquisition, display and perpetual care of flags are now points we must address. Since this should be a community endeavor, we would like area organizations, clubs, businesses and interested individuals to join us in a plan to perpetuate Americanism, the display of our flag and the Redmond Community spirit.

We are now known as: Redmond, Oregon - Flag City, USA.  
Let us help continue this unique and proud distinction.

This patriotic program is for all of us, by all of us and sponsored by no one, but all of us.
