

FLAG COMMITTEE MEETING

April 19, 2001

6 PM, VFW

Present: Randy Povey, Flag Committee Co-Chairman; Dennis Guthrie, Flag Co-Chairman; Jan Waters, Flag Committee Secretary; George Waters; Kurt Kaser, Volunteer Fire Department; Tom Schnell, Rotary

Randy Povey called the meeting to order at 6:10 PM.

Jan Waters read the minutes from June 8, 2000 and March 22, 2001. Separate motions were made by Dennis Guthrie and seconded by George Waters to accept the minutes as read. Motions carried unanimously.

Discussion followed regarding work parties to clean and repair flag holes as well as soliciting volunteers. Date of Saturday, May 5 at 8 AM was set for work party. Group will meet in the Les Schwab parking lot.

A suggestion was made by Kurt Kaser to have a "SLOW" sign attached to the rig that has the flags in it. Safety is not an issue in the mornings, however the afternoons are somewhat unsafe.

The flag displays were set as follows: Memorial Day - VFW; Flag Day - Kiwanis; July 4 - Boy Scouts Pack 26 (Theresa Burdick - 548-0023); Labor Day - Rotary; Fair Parade - Fire Department; Veteran's Day - unknown at this time. Jan agreed to contact the Section Leader of the 4H and ask them to be responsible for Veteran's Day.

Regarding the Family Motorhome Association Flag Display, there was not enough volunteers to commit to putting up flags. However, the committee is open to a group taking responsibility for this display.

Jan read the rewrite of the Z21 News letter. It was approved with minor modifications. Jan agreed to get it in the mail immediately.

The proposed new flag brochure was discussed. It was decided to approve it provided the order form could be darkened.

Jan read Gordon Welbourn's treasurer's report.

It was agreed that we would possibly have another meeting later in the year.

There being no further business, the meeting was adjourned at 7:15 PM.

Respectfully submitted,

Jan Waters
Flag Committee Secretary
