

FLAG COMMITTEE

April 22, 2004

5:30 PM, VFW

Present: Randy Povey, Flag Committee Co-Chairman; Dennis Guthrie, Flag Committee Co-Chairman; Jan Waters, Secretary; Margie McCain, Troop 27; Tony Burdick, Troop 27; Darlene and Mike Daly; Betty Borgen, City of Redmond; Mary McDaniel, George Waters, Volunteers

Randy Povey called the meeting to order at 5:30 PM. He asked if anyone had additional business not on the agenda. There was none.

Jan Waters read the minutes. They were approved as read.

The treasurers report was not available.

Randy reported that he has twenty flags that need poles. They need to be 10' long, 1 5/8" wide. Tony, Mike and Dennis agreed they would try to find some free poles.

A discussion about where to put new flag pole holes began. Betty suggested we not spend any time on Highland because of the upcoming couplet. It was decided that more holes would be drilled on 5th Street.

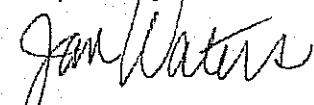

The work party for this spring will take place either on the 15th or the 22nd - a firm date could not be determined at this time.

Jan reported that the website is not running. She solicited for pictures and agreed to work on it.

Display schedule was decided as follows: Memorial Day - VFW; Flag Day - Kiwanis; July 4 - Boy Scout Troop 27 (with some help from the Red Hat Society); Fair Parade - Redmond Fire Dept; Labor Day - Redmond Rotary; September 11 - Citizens; Veterans Day - Moose Lodge and Smokey Stover Volunteers.

There being no other business, the meeting was adjourned at 6:40 PM.

Respectfully submitted,

Jan Waters
Secretary
