

FLAG COMMITTEE MEETING
March 31, 2010 530pm

- 530 Randy Povey called the meeting to order. Sasha Abarca read the minutes from the 2009 meeting. All seemed to be in order according to minute notes.
- 536 Discussed needing a new trailer. How much funds can we collect towards cause? \$1950 in donations for new trailer. Another \$250 coming from VFW. 6x12 trailer is \$2000. Roll up doors are best so out-swinging doors do not disrupt traffic. Need single or double axle; discussed, 6x12 single axle will work. Just need at least 10'. Carl & Eric to help with trailer committee. Work with High School & mechanics for time saving techniques; hydraulic systems to help load/unload into pick-ups. Need emergency lights added.
- 552 Work Party: Randy prefers May 1, 8am. Group agrees. Groups & volunteers discussed, sounds like we'll have a good crew!
- 556 Display day sign up: No change to previous year.

- 5:57 Extra display day: Centennial, need display for several days. 49 holes at park. Maybe do islands & Evergreen only. Or full display?
- 6:10 April 18-welcome home CO Troops. Course will be coming from Santiam-Sisters-Bend-Vince Guenna Stadium, 3ish. Not sure if we can get them to reroute through Redmond but flags should go out anyway.
- 617 August 11-August 15 is the Vietnam Wall dedication ceremonies. Need full displays for each day. Possibly sign up multiple trucks to keep trucks overnight with those who will be able to help for all days. Signed up at meeting for extra truck usage: Carl, Jeff, Moose & VFW. Still looking for at least 2 more trucks. On that note; July 3 & 4-should we do full displays both days? Left up to amount of volunteer help for the Chamber. Possibly approach City of Redmond to send help. If we get bad weather we can use Randy's shed for drying purposes. Big weekend for this-Motorcycles in town as well. Good time to get the flag display out to share.
- 622 Coffee clatter-good place to ask for volunteers & integrate the community. Rediscussed additional displays & sign ups for trucks.
- 636 No additional topics. Meeting adjourned.
